Soddy Daisy High School Seniors and Parents/Guardians,

We would like to begin a senior tradition/privilege by allowing the seniors who are in good standing to leave campus for lunch **the last Friday of each month** (this may change depending on how the calendar works). We are planning to move 3rd period to the lunch block on these Friday's. *Seniors will be able to leave at 11:00 and will need to be back on campus 12:55, the start of 5th period.*

In order to have the privilege of leaving campus for lunch, we require a parent/guardian's signature and teacher signatures. The teacher's signature verifies that the student is passing his or her class with at least a **70 and is not missing more than one assignment**. The parent/guardian's signature gives permission to leave campus, either as a driver or a rider (the parent is responsible for allowing or arranging transportation).

In good standing in each teacher's class means you have met the following requirements:

1. You are presently passing the class with an average of 70 or above and are not missing more than 1 assignment.
2. You do not have any absences or tardies since the last open campus lunch.
3. You have not received any adverse discipline infractions since the last open-campus lunch.

If the student does not meet any of these **three** requirements, administration will not allow the student to participate in the open-campus lunch.

Requirements for maintaining "Good Student Status" and continuing the privilege of leaving campus for lunch are as follows:

1. Each senior must have a passing grade of a 70 or above. Students may regain the privilege at the Open Campus lunch if all class averages are at 70 or above. In addition, a student cannot have more than 1 one missing assignment.
2. Students cannot have **any** absences (SDHS activities, i.e. field trips, do not count against this) or tardies in any classes.
3. A student who is assigned any discipline infractions will not be allowed to participate in the Open Campus lunch.
4. When a senior is tardy coming back from an Open Campus lunch, the Open Campus privilege will be lost for the next month. If a student fails to return to school after an Open Campus lunch, the privilege will be lost for the REMAINDER of the school year.
5. Seniors must ALWAYS comply with their parent/guardians wishes as it relates to being a passenger in another senior's vehicle, or allowing another senior to be a passenger in your vehicle. Failure to follow this mandate will result in an immediate loss of this privilege. The amount of time the privilege is lost will be determined in a parent conference.
6. Seniors will lose the Open campus privilege for the Remainder of the year for taking any unauthorized student from campus and will face further discipline consequences per administration's decision.

7. Seniors will lose the Open Campus privilege for any other circumstance as determined by administrators, which violates a senior's "Good Standing Status," or calls into question the ability of the senior safely to participate in the Open Campus program. Such circumstances are, but are not limited to: 1. A vehicle citation by law enforcement; 2. Any inappropriate behavior at any establishment visited by the senior during the Open Campus time; 3. Visiting the campus of any other school during the Open Campus time. (This is strictly forbidden)
8. Seniors are not allowed to bring food back to campus for other students. If a senior does bring food back to campus for other students, that senior will not be allowed to participate in the off-campus lunch during the next Open campus time.
