

Letter for late arrival or early dismissal for seniors only:

Date: \_\_\_\_\_

I approve the request that my son/daughter \_\_\_\_\_ attend school from \_\_\_\_\_ period to \_\_\_\_\_ period each day. (Check PS to determine your schedule, but understand the schedule will not be final until August 10.) I understand that this is a senior privilege and this will be revoked upon my student's unsatisfactory attendance, grades, or behavior. If my student loses this privilege, he or she will be required to have a full day of classes. I realize the school cannot be held liable for my student's actions while he or she is not on campus, and I am giving my permission for my student to arrive late and/or leave early because he or she does not need additional credits to graduate.

\_\_\_\_\_ Parent/Guardian

I acknowledge that I have read, understand, and agree to the statement above and will arrive and/or leave at the stated times above. I further realize that my grades, behavior and attendance could affect the outcome of this permission both now and in the future. I know the school has no liability when it comes to my actions while I am not on campus.

\_\_\_\_\_ Student

**This form must be submitted to your counselor, Mrs. Williams, by Friday, August 14, to be eligible to arrive late and/or leave early because classes will be in full session by Monday, August 17. Please do not try to turn in the form late.**
